American Gas Journal

SUPPLEMENT • January, 1956

INDEX TO VOLUME 182 — 1955

Authors are indicated by boldface
Index does not include the November 15 Handbook issue.

	Issue	Page
A		
Abel, Jerrold Q.	Oct.	21
Accounting goes mechanical, Jerrold Q. Abel	Oct.	21
Adams, Charles P.	Dec.	25
Adams, Ernestine	May	19
———	Aug.	14
AGA-PCGA convention report	Nov.	9
Air Conditioning, articles about		
Atomic-powered system for home heating and cooling is visualized	June	16
Cobell introduces new technique in air conditioning	Nov.	38
Coleman gas motor air conditioner, the	June	18
Coleman takes strides in gas air conditioning research	May	53
Gas air conditioning use increases	Oct.	56
New Servel 3-ton air conditioner advanced to field testing	Oct.	51
American Gas Fundamentals, *see* Gas Fundamentals		
American Gas Merchandising, *see* Merchandising, American Gas		
American industry improves production—thanks to gas	June	31
Arden, T. T.	Jan.	19
———	Apr.	20
Atomic-powered system for home heating and cooling is visualized	June	16
Automation in action, Ernestine Adams	Aug.	14
Automation in gas industry, Dean Hale	Aug.	17
B		
Bachmann, George K.	Jan.	16
Banks and Arden air wide range of problems at New England Association conference, F. Marion Banks, T. T. Arden	Apr.	20
Banks, F. Marion	Jan.	18
———	Apr.	20
Behr, Peter G., *presentation*	Oct.	25
Beverly Hilton utilizes gas in kitchen	Oct.	53
Brooklyn Union Gas uses Dione Lucas on TV to sell gas	Oct.	45
Buyers enthusiastic about gas range sales features (Chicago)	Jan.	45
C		
California gas companies built and operate pipe line to assure supply	Feb.	16
California launches parade of kitchens	Oct.	48
Campbell, D. A.	June	39
Campaigns		
Beverly Hilton utilizes gas in kitchen	Oct.	53
Brooklyn Union Gas uses Dione Lucas on TV to sell gas	Oct.	45
Lone Star's campaign combines calls-cans-cakes contracts, Claribel Thompson	June	35
Lone Star gas display sets pace for kitchen design, Claribel Thompson	Nov.	33
Local and national sales efforts must be integrated, R. D. McMahon	Dec.	41
Los Angeles fair displays appliance artistry	Oct.	50
O'Keefe and Merritt's range promotion features "no quota" contest	Nov.	44
"Old stove roundup" riding high, AGA	Sept.	38
Parade of kitchens at AGA-PCGA show	Oct.	47
Southern Union scores in Servel jackpot campaign	Sept.	33
TV show sells gas and appliances, John F. Short	Aug.	43
Carlson, Hilding H., *monthly editorials*		
Canada to lay longest gas line	Mar.	17
Cobell introduces new technique in air conditioning	Nov.	38
Coleman gas motor evaporative condenser unit	June	18
Coleman takes strides in gas air conditioning research	May	53
Color and shape of new Permaglas water heater aimed at upstairs installation	Apr.	42
Communication:		
Business:		
Communications: your most useful implement, *Part 1,* Dr. Dennis Murphy	Dec.	21
Key to effective communication, supervision, Millard E. Stone	Sept.	17
Mechanical:		
How Mississippi Valley Gas Co. uses 2-way radio to coordinate work, Fred J. Guice	May	30
Leased private 'phone lines improve company's operations, Leo M. Riley	Dec.	16
Compact device that makes appliance demonstration easy, new	Aug.	45
Compressor inspection check list, J. H. Watson	Feb.	30
Consolidated Gas leased private 'phone lines improve company's operations, Leo M. Riley	Dec.	16
Continuous aluminum melting line, John H. Keating	Oct.	33
Construction activities on SGA area continue high prospect for utilities	May	51
Construction and history of old gas tunnel recounted in New York	July	42
Construction begins in May on 248-mile Tennessee Gas transmission line	Mar.	31
Consulting meteorologists must regard utility problems as their own, Armand R. Iaccheo	Oct.	19
Conventions, reports and sales conferences		
AGA	Mar.	43
NEGA	Apr.	16
SGA	Apr.	19
NEGA	Apr.	20
SGA	May	16
AGA, Boston	May	36
SGA	June	15
AGA, Boston cont'd	June	21
AGA	July	26
AGA	Aug.	26
SGA	Aug.	10
AGA-PCGA	Oct.	48
AGA-PCGA	Nov.	9
GAMA	Nov.	40
Corrosion		
How Polyvinyl chloride tape is used in corrosion mitigation program, A. C. Kilberg	Apr.	14
Plastic pipe proving profitable, Fred J. Guice, Charles B. Gamble, Carroll Diller, R. M. Curry	Aug.	10
Curry, R. M.	Aug.	13
D		
De Soto joins Mrs. America sponsors	Oct.	56
Diller, Carroll	Aug.	12
Distribution system design		
How to predict gas main capacity, D. W. McCafferty, C. V. Kroeger	Sept.	14
Noise abatement in pressure reducing stations, Carol Neaves	July	20

	Issue	Page
Plastic pipe proving profitable, Fred J. Guice, Charles B. Gamble, Carrol Diller, R. M. Curry	Aug.	10
Polyvinyl chloride tape is used in corrosion mitigation program, how, A. C. Kilberg	Apr.	14
Regulating gas pressure, Howard A. Evans	Jan.	25
Role of the computer in distribution design, Carroll V. Kroeger	Mar.	14
Distribution structure damage reduced, Peter G. Behr, *presentation*	Oct.	25

E

Economics		
Economics of a planned meter retirement plan		
George K. Bachmann	Jan.	16
Douglas L. McLeod	Mar.	20
Gas distribution management has many problems ahead, E. J. McConnell	Dec.	11
How economic factors effect the design of pipe line, W. B. Poor	Feb.	29
Natural gas rises with the South, Ernestine Adams	May	19
Eeles, Charles C.	June	21
Enthusiastic invasion of California, the	Sept.	21
Evans, E. W. *with* **Kramer, W. H.** *and* **MacSporran, C.**	July	14
Evans, Howard J.	Jan.	25
Eynon, Stuart B.	May	27

F

Falvey, John F., *see* Financial		
FPC decisions		
———	Jan.	29
———	Feb.	39
———	Mar.	26
———	Apr.	39
———	June	25
———	July	31
———	Sept.	28
———	Nov.	22
———	Dec.	40
Field testing and repair of large capacity, P-D meters	Nov.	17
Financial, John F. Falvey		
Bad timing of new utility bonds last month reflected in slow sales	June	23
Credit tightening is predicted as business recovery continues	Feb.	27
Economists point to dangers in rate increase in consumer debt	Aug.	29
Favorable business climate now seen to 1957 with soft spots no menace	July	29
Long-term business outlook is upward as expansion plans continue	Oct.	39
Money market in progress of being tightened further	Mar.	23
Optimism in corporate activities justifies bright predictions	May	39
Tighter federal curb on credit may affect long-term fund demand	Sept.	25
Utilities in favorable position to choose new financing	Jan.	23
Utility needs for new funds hold prospect of satisfactory cost	Apr.	23
Fruechtenicht, H. L.	July	18
Functional operating base, Southern Counties Gas	Oct.	23
Funk, E. J., Jr.	Dec.	19

G

GAMA convention report	Nov.	40
GAMA makes decisions on trade exhibitions	Aug.	47
Gamble, Charles B.	Aug.	10
Gas air conditioning use increases	Oct.	56
Gas is aiding brass mill progress, how, Dwight L. Somers	May	34
Gas and electric appliance costs compared	June	36
Gas fired wall heater, performance test in basementless houses	Aug.	18
Gas is featured in Disneyland	Oct.	21
Gas Fundamentals		
Regulating gas pressure, Howard J. Evans	Jan.	25
Gas Companies, articles about		
Alabama Gas Corp.	Aug.	11
Arkansas Louisiana Gas Co.	Aug.	12
Brooklyn Union Gas Co.	Jan.	20
———	Apr.	18
———	Oct.	45
Columbia Gas System	Dec.	28
Consolidated Gas Utilities	Dec.	16
Equitable Gas Co.	Aug.	45
Laclede Gas Co.	Oct.	17
Lone Star Gas Co.	June	35
———	July	20
———	Sept.	16
———	Nov.	19
———	Nov.	33
Long Beach Gas Co.	Oct.	36
Mississippi Valley Gas Co.	May	24
———	May	30
———	Aug.	10
New York State Electric and Gas Corp.	Nov.	17
Northern Natural Gas Co.	Apr.	29
Ohio Fuel Gas Co.	Jan.	15
———	Dec.	15
Philadelphia Gas Works	Aug.	43
Pioneer Natural Gas Co.	Aug.	13
Portland Gas and Coke Co.	Oct.	28
San Diego Gas and Electric Co.	Jan.	21
Seattle Gas Co.	Feb.	14
Southern California Gas Co.	Feb.	16
———	Oct.	28
———	Oct.	37
Southern Counties Gas Co.	Feb.	16
———	Oct.	21
———	Oct.	23
Southern Union Gas Co.	Sept.	33
Southwestern Natural Gas Co.	Sept.	12
Gas distribution management has many problems ahead, E. J. McConnell	Dec.	11
Gas industry construction expanding	Aug.	20
Gas industry looks to new highs, F. Marion Banks, *year-end report*	Jan.	18
Gas industry opportunity, 1955, T. T. Arden, *year-end statement*	Jan.	19
Gas industry statistics, *see* Statistics		
Gas installations survive A-bomb, Roger Johnson	June	12
Gas Production Topics		
Hasche gas reformers in Florida, Joseph Frink, *presentation*	July	19
Tar quality as affected by processing, C. U. Pittman, *presentation*	Aug.	21
Gas serves you and the community, too	July	41
Gas turbine package for mobile-stationary power generation	July	22
Gehnrich, Hermann	July	26
Geophysical surveys, new instruments used in Ohio	Jan.	14
Guice, Fred J.	May	30
———	Aug.	10

H

Hale, Dean	Aug.	17
———	Nov.	20
Hasche gas reformers in Florida	July	19
Heating		
Atomic-powered system for home heating and cooling is visualized	June	16
New process for protecting steel uses gas equipment in heating	Jan.	20
Henwood, James B.	July	10
———	Aug.	22
Hewson, William B., *address by*	Apr.	18
Houses in research village have line-up of gas appliances	Jan.	47
How high temperature jets are utilized in some industries, *Part 1,* James B. Henwood	July	10
———, *Part 2*	Aug.	22
How wells in underground storage areas are prepared for service, Palmer H. Montgomery	Mar.	18

I

Iaccheo, Armand R.	Oct.	19
Industrial Application		
Continuous aluminum melting line, John H. Keating	Oct.	33
How gas is aiding brass mill progress, Dwight L. Somers	May	34

	Issue	Page
New process for protecting steel uses gas equipment in heating	Jan.	20
New tool for metallurgists, gas, E. J. Funk, Jr.	Dec.	19
Industrial and Commercial Gas Sales Conference:		
——— H. H. Sutton, Carl Wierum, Wilbert W. Selzer	May	36
——— Herman Koester, Jr., Charles C. Eeles, D. A. Campbell, Richard J. Reed	June	20
——— G. R. VanKampen, Hermann Gehnrich	July	26
——— A. H. Koch	Aug.	26
Industrial Processing, Gas		
Part 1, How high temperature jets are utilized in some industries, James B. Henwood	July	10
Part 2	Aug.	22
Inside a gas meter plant, Rockwell Manufacturing Co.	Mar.	38

J

Jane — of Columbus, Ohio Fuel Co.	Jan.	15
Johnson, Roger	June	12
Just one switch to start and load mainline compressors, E. N. Sampson	Apr.	28

K

Kayser, Paul	Feb.	19
Keating, John H.	Oct.	33
Key to effective communication, supervision, Millard E. Stone	Sept.	17
Kilberg, A. C.	Apr.	14
Koch, A. H.	Aug.	26
Koester, Herman, Jr.	June	20
Kramer, W. H. *with* **Evans, E. W.** *and* **MacSporran, C.**	July	14
Kroeger, C. V.	Mar.	14
——— *with* **McCafferty, D. W.**	Sept.	14

L

Leak detection programs give utilities insurance against gas blasts, Stuart B. Eynon	May	27
Legal, Leo T. Parker		
Can an employer prevent an ex-employee from working for competitor	Mar.	24
Courts distinguish between damages and compensation in employee cases	May	40
Courts have handed down varying decisions on utility-extension demand	Aug.	30
Gas company held liable for damages	July	30
Gas company liable for explosion only on definite proof of negligence	Nov.	23
How courts have ruled on appliance sales contracts	April	24
How gas company executives can win unavoidable law suits	Jan.	30
How courts view wide range of gas company activities	June	24
How gas utilities and their employees can avoid law suits	Oct.	38
How some gas companies have faced street work responsibilities	Sept.	26
Legal rates immaterial in overcharge suits	Dec.	27
Negligence is the factor in defective equipment liability	Feb.	28
Local and national sales efforts must be integrated for a stronger gas industry, R. D. McMahon	Dec.	41
Lone Star's range campaign combines calls-cans-cakes and contracts, Claribel Thompson	June	35
Lone Star sets pace for kitchen design at State Fair, Claribel Thompson	Nov.	33
Lone Star trucks use LPG	Nov.	19
Long Beach Gas — modernization of compressor facilities	Oct.	36
LPG storage for utilities, recent developments, W. H. Kramer, E. W. Evans, C. MacSporran	July	14
Los Angeles fair displays appliance artistry	Oct.	50

M

MacSporran, C. *with* **Kramer, W. H.** *and* **Evans, E. W.**	July	14
Magic of "natural gas" in New England has gone, Roy E. Wright, *address by*	Apr.	16
Management		
Banks and Arden air wide range of problems at New England Association conference, F. Marion Banks, and T. T. Arden	Apr.	20
Communications: Your most useful implement, *Part I*, Dr. Dennis Murphy	Dec.	21
Gas distribution management has many problems ahead, E. J. McConnell	Dec.	11
Key to effective communication, supervision, Millard E. Stone	Sept.	17
Local and national sales efforts must be integrated, R. D. McMahon	Dec.	41
Revised corporate plan will simplify Columbia System	Dec.	28
Servel management reviews and revises coordination with utilities, Duncan C. Menzies, Louis Ruthenburg	May	55
Markets, reports		
California—AGA-PCGA convention	Sept.	21
Chicago—buyers enthusiastic about gas range sales	Jan.	45
Southern—SGA continues high prospect for utilities	May	51
McCafferty, D. W., *with* **Kroeger, C. V.**	Sept.	14
McConnell, E. J.	Dec.	11
McLeod, Douglas L.	Mar.	20
McMahon, R. D.	Dec.	41
Menzies, Duncan C., *with* **Ruthenburg, Louis**	May	55
Merchandising, American Gas		
Beverly Hilton utilizes gas in kitchen	Oct.	53
Brooklyn Union Gas uses Dione Lucas on TV to sell gas	Oct.	45
Chicago market—buyers enthusiastic about gas range sales features	Jan.	45
Cobell introduces new technique in air conditioning	Nov.	38
Coleman takes strides in gas air conditioning research	May	53
Color and shape of new Permaglas water heater aimed at upstairs installations	Apr.	42
Construction and history of old gas tunnel recounted in New York	July	42
DeSoto joins Mrs. America sponsors	Oct.	56
Equitable Gas Co.—new compact device that makes appliance demonstrations easy	Aug.	45
GAMA convention report: appliance equipment sales reaching new peaks	Nov.	40
Gas air conditioning use increases	Oct.	56
Gas and electric costs compared	June	36
Gas serves you and the community, too	July	41
Houses in research village have line-up of gas appliances	Jan.	47
Local and national sales efforts must be integrated, R. D. McMahon	Dec.	41
Lone Star gas display sets pace for kitchen design, Claribel Thompson	Nov.	33
Lone Star's range campaign combines calls-cans-cakes and contracts, Claribel Thompson	June	35
Mrs. America 1956 is from Nebraska	June	33
Mrs. America rates high as gas promotion, S. F. Wickstrom	Mar.	43
O'Keefe and Merritt's range promotion features "no quota" contest	Nov.	44
"Old stove roundup" riding high	Sept.	38
Parade of kitchens at AGA-PCGA show	Oct.	48
Servel management reviews and revises coordination with utilities, Duncan C. Menzies, Louis Ruthenburg	May	55
Southern Union scores in Servel jackpot campaign	Sept.	33
TV show sells gas and appliances, John F. Short	Aug.	43
Meters		
Field testing and repair of large capacity, P-D meters	Nov.	17
Mississippi Valley Gas uses 2-way radio to coordinate work, Fred J. Guice	May	30
Modernization of compressor facilities, Long Beach Gas Co.	Oct.	36
Montgomery, Palmer H.	Mar.	18
More gas for midwest, Dean Hale	Nov.	20
Murphy, Dr. Dennis	Dec.	21

N

Natural Gas—a commodity—not adaptable to utility regulation, Paul Kayser	Feb.	19
Natural gas common stock prices reach new high	Oct.	16

	Issue	Page
Natural gas reserves—1954—had smallest increase since 1946	Apr.	27
Natural gas rises with the South, Ernestine Adams	May	18
Natural gas to Oregon—by tank car	Oct.	28
Neaves, Carol	July	20
New England and Milwaukee appliance salesmen have new college courses	Apr.	43
New instruments used in Ohio for geophysical surveys	Jan.	14
New process for protecting steel uses gas equipment in heating	Jan.	20
New tool for metallurgists—gas, E. J. Funk, Jr.	Dec.	19
Nevers, Ashley D.	Feb.	20
Noise abatement in pressure reducing stations, Carol Neaves	July	20
No lack of opportunity in 1955, T. T. Adren	Jan.	19

O

Odorants are evaluated by use of new apparatus, how, Ashley D. Nevers	Feb.	20
Ohio Fuel opens new underground storage area	Dec.	15
O'Keefe and Merritt's range promotion features "no quota" contest	Nov.	44
"Old stove roundup" riding high	Sept.	38

P

Pacific northwest companies in high activity preparing for natural gas	June	17
Parker, Leo T., *see* Legal		
Philadelphia Gas Works TV show sells gas and appliances	Aug.	43
Pittman, C. U., *presentation*	Aug.	21
Plastic pipe proving profitable, Fred J. Guice, Charles B. Gamble, Carroll Diller, R. M. Curry	Aug.	10
Plate shutoff avoids injuries and saves money	Mar.	25
Polyvinyl chloride tape is used in corrosion mitigation programs, how, A. C. Kilberg	Apr.	14
Poor, W. B.	Feb.	29
Public Relations		
How San Diego Gas and Electric Co. works for best public relations, Emery D. Sherwin, *interview with*	Jan.	21
Public information expanded by AGA with new 6-point program	Apr.	33

R

Reed, Richard J.	June	39
Regulating gas pressure, Howard J. Evans	Jan.	25
Revised corporate plan will simplify Columbia System	Dec.	28
Riley, Leo M.	Dec.	16
Role of the computer in distribution design, Carroll V. Kroeger	Mar.	14
Ruthenburg, Louis *with* **Menzies, Duncan C.**	May	55

S

Safety		
Compressor inspection check list, J. H. Watson	Feb.	30
Leak detection programs give utilities insurance against gas blasts, Stuart B. Eynon	May	27
Plate shutoff avoids injuries and saves money	Mar.	25
Seattle Gas Co. gets payoff in vehicle safety program, Avery W. Willis, Jr.	Feb.	14
Sampson, E. N.	Apr.	28
San Diego Gas and Electric Co. works for best public relations, how, Emery D. Sherwin, *interview with*	Jan.	21
Seattle Gas Co. gets payoff in vehicle safety program, Avery W. Willis, Jr.	Feb.	14
Selzer, Wilbert W.	May	47
Servel management reviews and revises coordination with utilities, Duncan C. Menzies, Louis Ruthenburg	May	55
Servel new 3-ton air conditioner advanced to field testing	Oct.	51
SGA member companies report	May	16
Sherwin, Emery D., *interview with*	Jan.	21
Short, John F.	Aug.	43
Somers, Dwight L.	May	34
Southern Union scores in Servel jackpot campaign	Sept.	33
Southwestern natural gas to Toronto	Sept.	12
Specialized weather forecasting is used for high-efficiency gas dispatching, how, Edwin F. Trunk	Oct.	17
Suburban underground gas storage is possible	Oct.	14
Sutton, H. A.	May	36

T

Tar quality as effected by processing, C. U. Pittman, *presentation*	Aug.	21
Telemetering system gives utility dispatches fingertip control	May	24
Thompson, Claribel	June	35
———	Nov.	33
To start and load mainline compressosr, just one switch, E. N. Sampson	Apr.	28
Trunk, Edwin F.	Oct.	17

U

Underground Storage		
Ohio Fuel opens new underground storage area	Dec.	15
Underground gas storage is possible, suburban	Oct.	14
Underground storage areas are prepared for service, how wells in, Palmer H. Montgomery	Mar.	18
Underground storage shows vast growth in five year period, H. L. Fruechtenicht	July	18
USSR pushes natural gas industry, Charles P. Adams	Dec.	25
Utility sales efforts not equal to job-to-be done, William B. Hewson, *address by*	Apr.	18

V

VanKampen, G. R.	July	26

W

Watson, J. H.	Feb.	31
Weather forecasting is used for high-efficiency gas dispatching, how specialized, Edwin F. Trunk	Oct.	17
Wickstrom, S. F.	Mar.	43
Wierum, Carl	May	37
Willis, Avery W., Jr.	Feb.	14
Wright, Roy E., *address by*	Apr.	16
